

2018-2019

Dear Parents,

The Student and Parent Handbook clearly states "no cell phones are permitted on the school campus." However, we do understand that some students carry a cell phone for emergencies or rides home after an extra curricular activity. **Therefore, in this case, the phone should be turned off prior to entering the school building and should be kept in the student's book bag until he/she is off school property.** At no time should a cell phone be available to a student during the school day. If a cell phone is seen, heard, or used during the school day, it will be confiscated and a detention will be served. It is the responsibility of the parent to retrieve the cell phone from the Principal during regular school office hours.

For our records we would like to have these phones registered with the school. Please complete the form below. It should be returned prior to your child carrying a cell phone. Any phone found on campus that is not registered with the school office will be confiscated and a detention will be served.

Thank you for your cooperation in this matter.

		Sincerely, Mr. Andrew Carner, F	Principal
