

MRS. KATHY SMITH

6TH GRADE HOMEROOM

6TH – 8TH SCIENCE

4TH – 6TH RELIGION

- ❑ **Science Goals:** All grades start with learning the Scientific Method with the end goal of participating in the Science Fair (7th-8th grades).
- ❑ Through all my classes it is about asking the right questions and finding the answers to them by exploring, creating, and understanding the basic foundations of Science.
- ❑ **Religion Goals:** All grades learn the Parts of the Mass, understand Scripture by reading the Bible, learn the basic tenets of our Religion by learning about the Beatitudes, the 10 Commandments, the Sacraments, and Prayer.
