Dear SMS Parents:

It has been a fun and enlightening year for all of us at SMS! It has also been a year that brings changes to our faculty and staff. After many long years of teaching and touching the lives of so many students Mrs. Dedrick, Mrs. Jokilehto, and Mrs. Henninger will all be retiring and starting a new chapter in their lives and enjoying time with their families. I know I speak for all of the SMS families, past & present, when I say "thank you for all you have done for SMS and the children." The front office will also see a change as Mrs. Johnson moves to Florida with her family to embark on a new adventure. With that being said I would like to inform you of the SMS faculty/staff updates based on the information we have as of today.

*Hello! My name is Mrs. Megan Krajnak and I wanted to take a minute to introduce myself, as I'm very excited to be joining the St. Mary family in the fall. After graduating from Ohio Northern in 2008 I spent several years teaching language arts and reading in high performing charter schools in Cleveland. Following the success within my classroom I was promoted to become a district Instructional Coach where I was able to work with new educators and help them master the craft of teaching.*

*Outside of work I am blissfully married to my wonderful husband, and we are blessed with two beautiful daughters. We live in Bay Village and spend most of our summer in the lake kayaking, fishing, and swimming.*

*Throughout my life I have been an active member in my church and this year I decided to try to combine my two passions; education and faith. I could not be more excited to have the opportunity to do so at St. Mary. I look forward to meeting the staff, students, and families soon!*
