

5th Grade Math Summer Work

Hello incoming 5th graders! To prepare you for the upcoming school year, I would like you to practice your math skills throughout the summer. It is important that you practice math facts throughout the summer to ensure a smooth transition into fifth grade!

To complete:

- ☐ Math Log Sheet

Fill out the math log sheet throughout the summer. Log each time you practice (5-10 minutes per session). You may use flashcards, factmonster, 99math, etc. to practice math facts.

- ☐ Worksheet 1
- ☐ Worksheet 2
- ☐ Worksheet 3

Have an awesome, safe summer! Looking forward to a great school year ahead!
